

## Approved Shoes for GMC Prep Elementary Students

\*NOTE: Uniformity is an important part of our school culture. These shoe options conform to the intent of our uniform policy for our elementary students (Kdg through 5<sup>th</sup> grade.)

**Shoes must be athletic style (comfortable and suitable for PE and daily recess) and solid black in color. The athletic shoes may have white or black soles. Any logo or stripes must be white. Shoes that have a Velcro-strap in lieu of white shoelaces are acceptable. No other colors should be visible on the shoe.**

We do not partner with any vendor nor require shoes be purchased from any one store. The pictures below are provided to give you visual examples of the type of style shoe that we require. Each student's shoes should meet the requirements above of style, color, sole color, logo color, etc.

If you do not find one of these options suitable for your child, please feel free to contact us at 478-387-4857 or email us at [gmcprepadmissions@gmc.edu](mailto:gmcprepadmissions@gmc.edu)

The pictures below show styles of shoes that are **ACCEPTABLE**. Any shoe similar to these pictures (any brand) does conform to the uniform standard.

The pictures below show styles of shoes that are **NOT ALLOWED** as they do not meet the uniform standard.
